Enjoy your Christmas Party at the Bathwick Boatman! - Our lovely boathouse restaurant is a great venue

We are well known for our Christmas parties
– providing delicious home-cooked food, Christmas crackers and great wines,
with prompt and cheerful service from our lovely team of staff.

It is just one nicely sized room with a covered terrace overlooking the river.

With our pretty Christmas tree, candle light and a bit of festive jazz
– it's a cosy riverside experience just 10 minutes walk or a short taxi ride from Pulteney Bridge,
or please do make use of our **Car Park**.

We welcome different sized groups from 2 to 60! We offer exclusive use of the restaurant for
groups of 40/45 + (depending on when, and no hire charge).

There is a pay bar so you can buy your own drinks or run a tab and order at the table.
(This can be really helpful with a large group booking!).

With a thoughtful and well priced wine list, alongside bottled locally brewed beers and lagers,
the bar offers a good range of soft drinks and spirits too.

Also smooth ground coffee and a selection of teas.

Many of our dishes are **gluten free**, we can help with special dietary requirements
by adapting a dish or offering an alternative.

Please see our delicious Christmas Menu –
served from Tuesday 28th November and through December up to and including Saturday 23rd
December. We can also open for special parties during Christmas and New Year,
please contact Rosy to check availability and with any booking queries.

For parties of 8 or more we ask please for a £10 per person deposit required soon after the
time of booking, and pre-orders please a week or so prior to the event – thank you.
Service is discretionary but for groups of 8 or more we ask for a 10% optional service charge,
gratuities go entirely to the team who serve you – thank you.

If there is anything we can do to help you organise your Christmas party we'd be delighted to
assist - **Thank you!**
